HAUTE ROUTE HUT NUMBERS AND EMAIL ADDRESS

We have provided all the hut number and email address for you to pass along to your loved ones. If something unforeseen may occur back home and we are out of cell phone range, they will be able to contact you that evening in the hut. Make sure to pass along our itinerary so they know when and where we will be. Please use these numbers only in case of an emergency. We will have sporadic cell coverage throughout the trip, so calls can usually be made at least every other day along the trip.
